

ABOUT 212° THERMO

212° Thermo is a powerful thermogenic that's formulated to enhance your metabolism, energy levels, focus, and ability to burn fat! 212° Thermo contains three patented/trademarked ingredients, including CaloriBurn GP®, InnoSlim®, and BioPerine® to really turn up the heat! Along with that, 212° Thermo uses a combination of gbb, acetyl-L-carnitine, and L-carnitine tartrate to supercharge thermogenesis. With 300 milligrams of caffeine per serving, 212° Thermo will have you attacking every cardio session with maximum intensity! Look good naked with the help of 212° Thermo.

SUGGESTED USE

As a dietary supplement, mix 1 scoop of 212° Thermo with 6-8 ounces of water. For optimal results, consume 20-30 minutes prior to training. Do not take any other products that contain stimulants when taking 212° Thermo. Do not take within 5-6 hours prior to sleep.

InnoSlim® is a registered trademark of NuLiv Science.
Caloriburn GP® is a registered trademark of NNB Nutrition.
BioPerine® is a registered trademark of Sabinsa Corporation.

Warning: Consult with a physician prior to using this product if you are taking medication or have a medical condition. Don't use if pregnant or lactating. Discontinue use two weeks prior to surgery. Keep out of reach of children. Keep the container tightly closed in a cool, dry, and dark place.
