

ABOUT FARM FED

There are a lot of protein powders on the market, so what makes Farm Fed different? We were one of the first companies to combine 100% grass-fed whey protein isolate with DigeSEB® to create a protein powder that even Seth Feroce could digest. But we didn't stop there! Over the years, we've developed a variety of gourmet flavors that would satisfy anyone's sweet tooth. Not to mention, we took things a step further by partnering with Dippin' Dots® to bring you back to your childhood with nostalgic flavors! Taste the fun and get the gains with Farm Fed Dippin' Dots® Strawberry Ice Cream!
