

EPIQ™ is a line of powerful, effective, and guaranteed clean supplements formulated for elite athletes who demand the highest quality for EPIQ™ performance.

EPIQ™ Guaranteed Supplements are:

- Free of banned substances
- Free of artificial colors or dyes
- Free of harmful impurities
- Free of undeclared ingredients
- Developed with a scientifically researched key ingredient¹
- Manufactured according to current Good Manufacturing Practices (cGMP) standards, as is required for all dietary supplements
- Made in the U.S.A. from international ingredients

EPIQ™ Heat GC – Green Coffee Extract + Garcinia Formula

You want your body to be as lean as it is powerful. That's why we created EPIQ™ Heat GC. This powerful formula contains a mega dosed 1-caplet serving that contains green coffee for weight loss plus 500mg of *Garcinia cambogia*. You get a 200mg scientific dose of the hottest weight loss ingredient available, – standardized green coffee extract (as *C. canephora robusta*) – supplying 45% chlorogenic acids and more. You can be confident you're getting an effective dose of green coffee extract in just 1 caplet.

What Makes the Formula EPIQ™?

- 400mg of premium, clean green coffee extract (as *C. canephora robusta*) including 200mg of standardized green coffee extract delivering 45% chlorogenic acids.
- Subjects taking standardized *C. canephora robusta* lost, on average, 10.95 lbs. in 60 days vs. the placebo group who lost 5.4 lbs. Both groups followed a low-calorie diet. In a separate 8-week study, subjects lost an average of 3.7 lbs. vs. the placebo who lost an average of only 1.25 lbs. Both groups followed a calorie-reduced diet and performed moderate exercise.
- Contains 500mg of *Garcinia cambogia* per caplet.
- Delivers black pepper extract, green tea and lychee fruit extract.
