

SUGGESTED USE: Adults take 2 tablets 1-2 times a day or as directed by your qualified healthcare professional.

The adrenal glands produce hormones that underlie the body's mechanisms for coping with physical and mental stress. Factors such as overtraining in athletics and over-reliance on caffeine and other stimulants may tax the adrenals.

Jarrow Formulas® Adrenal Optimizer® combines important nutrients and nutraceuticals that support adrenal health.* Vitamin C, DMAE, and pantothenic acid participate in the synthesis and release of adrenal hormones.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN.

STORE IN A COOL, DRY PLACE.
