

**SUGGESTED USE:** Adults take 2 delayed release veggie capsules once a day or as directed by your qualified healthcare professional.

**Jarrow Formulas® BroccoMax®** broccoli seed extract is formulated with active myrosinase, the enzyme in broccoli that metabolizes SGS (Sulforaphane Glucosinolate, a.k.a. glucoraphanin) in the small intestine into sulforaphane.\* Sulforaphane supports healthy cell replication and liver health.\*

**WARNING:** Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

**KEEP OUT OF THE REACH OF CHILDREN.  
STORE IN A COOL, DRY PLACE.**
