

**SUGGESTED USE:** Adults take 1 tablet once a day or as directed by your qualified healthcare professional.

**Vitamin C** is an antioxidant that helps recycle vitamin E to support its antioxidant activity in the body and is essential for collagen formation and supports immune health.\*

Bioflavonoids are polyphenol antioxidants that complement vitamin C and help protect the body against free radicals.\* Vitamin C, citrus bioflavonoids and their metabolites support blood circulation and cardiovascular health.\*

**WARNING:** Citrus-derived products (like those from orange or grapefruit) contain phytonutrients that may affect the metabolism of certain prescription drugs. Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

**KEEP OUT OF THE REACH OF CHILDREN.  
STORE IN A COOL, DRY PLACE.**
