

SUGGESTED USE: Adults take 1 capsule 1-2 times a day with food or as directed by your qualified healthcare professional.

Citicoline (stabilized CDP Choline) is a naturally-occurring intermediate involved in the synthesis of phosphatidylcholine, a major constituent of the grey matter of brain tissue.* Citicoline supplementation supports brain energy metabolism, and has been shown in clinical research to support attention performance in healthy adults and adolescents.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.
