

SUGGESTED USE: Adults take 1 scoop, 1-3 times a day with water or other fluid, before or after exercise or as directed by your qualified healthcare professional.

Jarrow Formulas® D-Ribose, featuring Bioenergy Ribose®, is made by microbial fermentation and is protected by U.S. patents 6,159,942, 6,534,480, 6,218,366 and 6,339,716.

Ribose is one of the necessary building blocks for the formation of ATP, the universal energy molecule in the body.* Physical stress can deplete ATP stores in cardiac and skeletal muscles. As the rate-limiting substrate in the synthesis of nucleotides, ribose plays a vital role in replenishing ATP, which helps to promote cellular energy, muscle recovery, and endurance.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.
