

SUGGESTED USE: Adults take 2 tablets 2 times a day: 2 in the morning and 2 in the evening with meals or as directed by your qualified healthcare professional.

Jarrow Formulas® Glucose Optimizer® is a unique blend of ingredients that support antioxidant status and glucose metabolism by the following mechanisms:

- **Eucalyptus** – muscle glucose transport and metabolism, and glycogen formation.*
- **Banaba** – glucose transport.*
- **Gymnema** – healthy pancreatic function.*
- **Glycostat® Wild Bitter Melon Extract** – a proprietary extract produced from a wild genotype, supports blood glucose metabolism and transport.*
- **Alpha Lipoic Acid** – a coenzyme in glucose metabolism and supports production of glutathione, which protects the liver and nerves.*
- **Magnesium** – metabolism of glucose and production of cellular energy.*
- **Resveratrol** – supports cardiovascular health.*

WARNING: During use, advise your healthcare professional that you are taking biotin before any blood tests. Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition (especially if being treated for glucose control); if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.
