

SUGGESTED USE: Adults take 1 capsule once a day with a meal or as directed by your qualified healthcare professional.

Glutathione is an abundant intracellular thiol (a compound containing a sulfhydryl group) and low molecular weight tripeptide found in living cells.* Serving as an antioxidant in all types of tissues, the antioxidant functions of glutathione include recycling vitamins C and E to their antioxidant form to minimize oxidative stress.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

**KEEP OUT OF THE REACH OF CHILDREN.
STORE IN COOL, DRY PLACE.**
