

High Potency Probiotic

Jarro-Dophilus® Ultra Gut Rescue is a 10-strain, 50 billion CFU probiotic supplement designed to maintain, protect, and restore intestinal flora.*

Clinically Studied Probiotic Strains

Jarro-Dophilus® Ultra Gut Rescue is formulated with a mixture of 10 effective, probiotic strains clinically shown to help improve intestinal and/or immune system health.* These probiotic strains increase levels of beneficial bacteria, and/or support regularity.* Two of our strains, La-14 and Lpc-37, have been clinically shown to support specific immune system responses.*

Stomach Acid Resistance

Maximum survival of live probiotic organisms in transit through the stomach and intestinal tract is made possible by Jarro-Dophilus® Ultra Gut Rescue's unique delivery system consisting of an acid-resistant vegetarian capsule and the integration of the probiotics with a gel-forming matrix to protect against the negative effects of stomach acid and digestive fluids.*

Live Probiotic Guarantee

When kept under recommended storage conditions, Jarro® Probiotics are formulated to ensure CFU counts are guaranteed within Best Used Before date.

* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.

SUGGESTED USE: Adults take 1 capsule once a day, with water, during or shortly after a meal, or as directed by your qualified healthcare professional.

Strains Matter®

When it comes to effective probiotics, clinically documented Strains Matter®. As an innovator of consumer probiotics since 1986, Jarro Formulas® takes great pride in using high-quality and scientifically documented strains that have been developed through years of research and innovation.

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN.

Delayed Release Capsule

For protection against stomach acid, delayed release capsules are used instead of regular vegetarian capsules.
