

SUGGESTED USE: Adults take 1 softgel once a day with a meal or as directed by your qualified healthcare professional.

Jarrow Formulas® Pantethine is a derivative of pantothenic acid (vitamin B5) and a precursor in the formation of coenzyme A (CoA), an essential cofactor for lipid, carbohydrate, and protein metabolism.* In cells, CoA is essential for fatty acid transport and fatty acid metabolism.* Pantethine also helps to support normal healthy lipid metabolism.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

**KEEP OUT OF THE REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.**
