

SUGGESTED USE: Adults take 1 softgel 1-2 times a day with a meal or as directed by your qualified healthcare professional.

Jarrow Formulas® QH-absorb® + PQQ™ combines Ubiquinol, the active antioxidant form of Co-Q10 that has been shown to be better absorbed, with PQQ, to promote mitochondrial biogenesis (the creation of new mitochondria), providing dual antioxidant support for mitochondrial health, efficient cellular energy production, and healthy cardiovascular function.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN. STORE IN A COOL, DRY PLACE.
