

SUGGESTED USE: Adults take 1 softgel 1-2 times a day with a meal or as directed by your qualified healthcare professional.

Jarrow Formulas® QH-absorb® + PQQ™ combines Ubiquinol, the active antioxidant form of Co-Q10 that has been shown to be better absorbed, with PQQ, another antioxidant to promote mitochondrial biogenesis (the creation of new mitochondria).* QH-absorb® + PQQ™ provides dual antioxidant support for mitochondrial health, efficient cellular energy production, and healthy cardiovascular function.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.
