No wheat, gluten, soybeans, dairy, egg, fish/shellfish, peanuts/tree nuts or sesame.

NOTE: Capsule fill content may change, due to raw material particle size. However, potency remains the same.

Minimum 5 billion viable cells at time of consumption, under recommended storage conditions and within Best Used Before date.

No Refrigeration Necessary

Does not require refrigeration and can be stored at room temperature in a cool, dry place. Avoid storage at temperature above 77°F (25°C). Refrigeration, however extends shelf life.
