

SUGGESTED USE: Adults take 1 capsule 1-2 times a day with a meal or as directed by your qualified healthcare professional.

Jarrow Formulas® Shilajit Fulvic Acid Complex is a purified and standardized extract containing no less than 60% fulvic acid complex with high levels of combined dibenzo- α -pyrones and dibenzo- α -pyrone chromoproteins. These special compounds are active in the mitochondrial electron transport chain.* Shilajit Fulvic Acid Complex works with Co-Q10 in the mitochondria to support energy production in brain and muscle tissues during exercise.*

WARNING: Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

KEEP OUT OF THE REACH OF CHILDREN.

STORE IN A COOL, DRY PLACE.
