

**SUGGESTED USE:** Adults take 2 capsules once a day or as directed by your qualified healthcare professional.

**Jarrow Formulas® Type II Collagen Complex** provides BioCell Collagen®, a low molecular weight, water-soluble glycosaminoglycan complex completely derived from chicken sternum cartilage. Collagen is a key component of connective tissues, such as bones, joints, and skin. Type II collagen is a structural protein in cartilage that is responsible for its tensile strength and works to support healthy joints.\*

**WARNING:** Consult a healthcare professional before using this product if you are pregnant, nursing, under the age of 18, are taking medication or have a medical condition; if adverse reactions occur, discontinue use.

**KEEP OUT OF THE REACH OF CHILDREN.  
STORE IN A COOL, DRY PLACE.**
