

Directions: For a luscious drink add one teaspoonful or less of Wild GingaMax tea to a cup of boiled water. Or, add 3 teaspoonsful to a 32-ounce thermos filled with boiled water. The hot water extracts the active ingredients. Use it also in food or desserts and in cold drinks or smoothies.

GingaMax tea is the maximum strength wild Ceylon ginger for boosting overall health and supporting digestive health. Use it to support also a healthy inflammation response and also healthy immunity. It's a health-giving tea and food additive like no other—enjoy.
