

6 35824 00242 0

Directions: Apply a few drops to teeth and gums. Saturate a thin roll of cotton with OregaDENT and put against gums. Use with or instead of toothpaste.

OregaDENT is specially formulated for use with gums and teeth. It supports them through the natural powers of clove, cinnamon, and oregano oils. Use it to tone and tighten the gums, while also supporting a healthy overall dental response.*
