CHROMIUM POLYNICOTINATE

Dietary Supplement

RASPBERRY KETONES
GREEN TEA EXTRACT
L-CARNITINE

30 Fl. Oz./ 887 mL

Garcinia Cambogia™ Extract Juice Blend

Dynamic Health Laboratories, Inc.'s Garcinia Cambogia™ Extract Juice Blend is a unique formulation that provides:

Super CitriMax® a natural plant extract that has been clinically studied weight control ingredient that can help: Curb appetite[™], Reduce caloric intake[™]. Reduce body weight[™], Burn fat[™]. Maintain normal cholesterol levels[™].

Green Coffee Bean Extract (Svetol®) is made from green coffee beans before they are roasted for traditional coffee. Chlorogenic acid, the active ingredient in Green Coffee beans, is believed to speed up metabolism by slowing down the release of glucose from the liver into the blood causing the body to use fat cells for energy instead of sugar. Burning up these fat cells may aid in weight loss.[™]

L-Carnitine is traditionally used to promote heart health and fat metabolism.*

Raspberry Ketones is thought to break up the fat within the cells, which may help the body burn fat faster and aid in weight loss according to recent research.*

African Bush Mango (*Irvingia gabonensis*) Irvingia IGOB131® is a clinically tested and patented ingredient that is a weight loss diet aid* targeting central (abdominal) obesity.[™]

Green Tea Extract is traditionally used to boost metabolism.*

ChromeMate® is a patented bio active oxygen- coordinated chromium-niacin complex.*

CURB APPETITE[™] • REDUCE CALORIC INTAKE[™]
BURNS FAT[™] • PROMOTE HEALTHY BODY WEIGHT[™]

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent disease. **Individual results may vary. For best results, combine with a reduced calorie diet and exercise program. Super CitriMax® and ChromeMate® are registered trademarks of Inter-Health N.J.

∞ Clinical strength supplement use.
