

FLUSH-FREE NIACIN

500 mg

A DIETARY SUPPLEMENT

120 Capsules

Exclusively manufactured for:

LONGEVITY  MEDICAL CLINIC™

Vitamin B3, or niacin, helps the body release energy from carbohydrates or fats.* Inositol Hexanicotinate is a superior source of niacin consisting of six molecules of niacin and one molecule of inositol. It works to reduce the common niacin-flush problems associated with high doses of niacin supplements.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Store in a cool dry place. Tamper evident. Do not use if seal is broken. Keep out of reach of children. Consult your physician if you are pregnant or breastfeeding before using this product.

Supplement Facts

Serving Size 1 Veggie Cap

	Amount Per Serving	% Daily Value
Niacin (from 640 mg of Inositol Hexanicotinate) (Vitamin B-3)	500mg	3125%
Inositol (from 640 mg of Inositol Hexanicotinate)	135 mg	†

† Daily Value not established.

Other ingredients: Cellulose (capsule), Stearic Acid (vegetable source), Magnesium Stearate (vegetable source), Rice Flour and Silica.

Inositol Hexanicotinate is a stable, non-flushing source of Niacin. This superior source of Niacin works to reduce the common "niacin-flush" problems associated with high doses of Niacin supplements.

Not manufactured with: sugar, salt, wheat, gluten, soy, milk, egg, shellfish or preservatives.

Vegetarian/Vegan Product.

Recommendations: Take one (1) Veggie Cap daily with food, or as directed by your Longevity physician.
