Ingredient: 100% (FHL) Flax Hull Lignans

Original Flax Hull Lignans™ contains 27 Naturally Balanced Lignans that are a group of phytonutrients (plant nutrients) and phytoestrogens (plant estrogens) which are found in seeds, grains and vegetables that have been researched heavily and are Mechanically Extracted from Organic Non GMO Flax Seeds using no chemicals or solvents producing a product that contains a high amount of Lignans, Omegas and Essential Fatty Acid, (SDG) secoisolariciresinol-diglycoside and (ALA) alpha-linolenic acid. Flax Seed is by far nature's richest source of plant lignans providing 70 to 800 times more lignans than any other plant.

There is no other product available that can deliver a higher potency from a Natural Source.
