

Rapha: Be Restored

RICH NATURAL SOURCE OF OMEGA 3,6,9

Flaxseed is from the plant *Linum usitatissimum*. Flax Hulls contain 70 times more the amount of lignan nutrition than you can get from regular flaxseed.

Our Oil Has Been Cold Pressed From The HULL And Not The Seed. Producing An Unsurpassed Unfiltered Pure Quality Flax Oil Taste With No Seed Embryo, Pulp Or Residue That Can Cause Fermenting And Bitterness.

Lignans are contained in the Hull of the Flax seed. This product is direct from the Inventor of the Mechanical Extraction Process and no other company is able to produce the quality.

Flax Hull Lignans (FHL) Boost the body's Immune System significantly. May help overcome symptoms such as Hot Flashes often experienced by women going through menopause. (FHL) Are the best natural substitute for estrogen for both men and women. (FHL) Reduces excessive free radical activity. (FHL) Provides excellent Dietary Fiber. (FHL) May help with Prevention and Treatment of Breast, Prostate and Colon Cancer, Diabetes, High Blood Pressure, Hair Loss, as well as Hundreds of Chronic Diseases. Research is available to support these benefits.
