Clean plant-based supplement that helps maintain an adequate protein intake and may improve muscle definition, endurance and recovery.* Naturally free of sugar, gluten, animal ingredients, and banned substances. Compatible with all Keto, Paleo, and Intermittent Fasting (IFD) programs.

High in BCAA. The protein in this formula naturally contains 5 g of the branched-chain amino acids Leucine, Isoleucine and Valine. We then fortify each serving with an additional 3 g of free BCAAs (for a total of 8 wholesome grams) to boost muscle synthesis and help you recover faster.* No other source of plant-based protein offers more BCAA per serving!

Suggested Use: As a post-workout supplement or to increase your protein intake any time, pour one scoopful into 8-12 fl oz of water and mix vigorously. Drink promptly.

Store product at controlled room temperature. Do not expose to heat or moisture. **WARNING:** Very low calorie protein diets (below 400 Calories per day) may cause serious illness or death. Do Not Use for Weight Reduction in Such Diets Without Medical Supervision. Not for use by infants, children, or pregnant or nursing women. Packed by weight, not volume. Natural color variations may occur.
