Other Ingredients: Purified Water, Glycerine, EDTA (Ethylene Diamine Disodium Benzoate as Preservative), Sodium Benzoate (Food Preservative), Natural Flavoring, FD&C Red # 40

ABOUT THIS FORMULA

Creatine Ester HCL's superior solubility plus the power of Creatinol-O-Phosphate, in a serum that absorbs in your mouth. Not in your gut. So reinforcements can rapidly flow into your bloodstream. To reload energy-hungry muscles and refocus your strategic brain. That also eliminates the drawbacks of powdered creatine like loading, bloating and those numerous other side effects. Now you can be locked and loaded. Armed + dangerous. Ready to rumble. Anytime. Anywhere.

HOW TO USE

10 minutes before your workout, fill the dropper and place 1 ml of serum under your tongue. Repeat 4 more times. For best results, hold serum in your mouth until completely absorbed.
