NOS-7™ is a registered trademark of Thermalife International LLC. This mark covers the use of one or more patents listed at www.NOS-7.com/patents

DIRECTIONS: Adults mix 1 scoop in 8-12 fl. oz. of water and consume the entire serving 1 hour before workout. Read the entire label before use. Individual results may vary.

SATISFACTION GUARANTEE: Try PRE-7™ risk-free with our money-back guarantee. For details, visit novexbiotech.com.

WARNING: Do not exceed suggested daily serving. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. This product contains a potent amount of caffeine (approximately 300 mg per serving). Do not combine with other sources of caffeine or stimulants while consuming this product because stimulants may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. Beta-Alanine may cause a tingling sensation on the skin that is temporary. This sensation is normal and should lessen or subside. Consult your healthcare provider before use if you are sensitive to stimulants, taking medication, or have a medical condition. **Use only as directed. Keep out of reach of children.**

⚠ WARNING: Consuming this product can expose you to lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov/food.

Do not consume if inner seal is broken or missing. Contents may settle during shipping. This product is sold by weight, not volume.

Store at controlled room temperature: 15° to 30°C / 59° to 86°F

Product resale allowed only through authorized representatives. International distribution is not authorized without prior written approval.
