RESTORE THE CALM

Too much stress increases cortisol levels. Cortisol is a hormone that can trigger:

- WEIGHT GAIN
- SLEEPLESS NIGHTS
- MOOD CHANGES
- HAIR LOSS
- BRAIN FOG

For two decades, Relacore has pioneered better, prescription-free ways to help mitigate the negative effects of excess stress. Our formulations help reduce stress and mild anxiety.*

Relacore dietary supplements contain vitamin and herbal blends and are non-prescription and non-addictive.

THE RESULT: *Trusted formulas with over 23 million bottles sold.*
