

AGING REDEFINED™

Sip your way to smooth, glowing, vibrant skin with Skin Brilliance™

As you age, your body produces less collagen, and the quality of that collagen diminishes. Skin Brilliance helps replenish your skin from the inside out with a clean, two-part formula.

Two forms of wild caught marine collagen:

- + Visibly improve hydration and elasticity*
- + Reduce the appearance of wrinkles*
- + Help restore glowing, younger-looking skin*

A biotin, vitamin C, and zinc blend:

- + Support healthy skin, hair, and nails*

Just mix in water, enjoy the delicious taste, and drink to brilliant results.
