¹Our guarantee: Because no weight-control product or program will work for everyone, Zantrex Black is backed by our 100% satisfaction guarantee. Simply stated, if you are not satisfied with your Zantrex Black, just return it to the place of purchase within 30 days.

In a clinical trial, 96% of subjects lost a significant amount of weight using the functional compound in Zantrex Black.

²While the published clinical trial using the functional compound in Zantrex Black resulted in significant weight loss WITHOUT a prescribed diet program, adding a sensible diet to your weight-loss regimen should only enhance its incredible weight-loss power.

NOTE: Limit the use of caffeine-containing supplements, foods, or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. If you or your health-care provider have any questions, please call: 1-800-898-5153.

Note for customers of Zantrex[®] Blue or Zantrex[®] Red: Zantrex Blue, Zantrex Red, and Zantrex Black are different formulations that work in different ways. For maximum weight-loss effectiveness, take Zantrex Black every day as directed.

¹Percent Daily Values are based on a 2,000 calorie diet.
²Daily Value not established.

Other Ingredients: Soybean oil, gelatin, glycerin, white beeswax, soy lecithin, purified water, and caramel color. **CONTAINS: SOY.**

DIRECTIONS: For weight loss, adults take 2 softgels with a full glass of water 15 minutes before main meals. For a significant energy boost, take 1 or 2 softgels as needed. **Do not exceed 6 softgels in any 24-hour period.** Use in conjunction with any sensible diet and exercise program. Individual results will vary.

WARNING: Do not exceed suggested daily serving. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. This product contains a significantly potent xanthine (i.e., caffeine and caffeine-like stimulants) mixture of about 300 mg per serving. Consult your physician before use if you are taking medication, are sensitive to stimulants, or have a medical condition. People sensitive to niacin (nicotinic acid) may experience flushing of the skin that is generally mild and transient. Do not use if inner safety seal under the cap is broken or missing. **Use only as directed. Keep out of reach of children.**
