Dashamula powder

Calms the nerves and removes excess vata from the system*

Strengthens and nourishes the body*

Supports healthy expectoration and proper function of the lungs*

Grounding formula that helps direct the flow of vata energy downward*

Dashamula is a traditional Ayurvedic formula for removing excess vata from the system. It is a nourishing muscle tonic that strengthens the body and calms the nerves. Dashamula promotes healthy expectoration and respiration while supporting the proper function of the lungs and nervous system. The formula is very grounding and helps direct the flow of vata energy in the body downward.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
