- High-concentration chromium for blood sugar support
- Helps maintain healthy insulin levels
- Helps support cardiovascular health

Science-Backed Quality Since 1969

Suggested use: As a dietary supplement, take one capsule per day with food and water.

WARNING: For adults only. Because chromium may enhance insulin sensitivity and affect glucose levels, diabetics and hypoglycemics should consult their healthcare providers before using this product. Consult your physician before using this or any product if you are pregnant or nursing, taking medication or have a medical condition. Keep out of reach of children. Do not use if seal is broken. Store in a cool, dry place.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
