*As creatine technology evolves
...So does BioRhythm®.*

The latest nutraceutical research and the U.S. Patent office now recognize Creatine Magna Power as a leader in pharmaceutical grade technology. Biorhythm's Magna Power® Compound offers no stomach discomfort while eliminating the standard loading phase and common creatine bloating. Pushing the limits of maximum performance, this Compound formula adds delivery agents that yield instant and sustainable pumps, strength and vascularity with improved recovery and stamina.*

- ♦ 100% Legal Anabolic Agent · US Patent#6,114,379*
- ♦ Independently Researched Strength Builder*
- ♦ Ten Times The strength Of Standard Creatine Formula's*
- ♦ Elite Absorption Technology Featuring Biorhythm's LDS™*
