COLLAGEN
COMPLEX

TYPE I, II & III

Dr. Mercola Collagen Complex provides five grams of Types I, II and III collagen per serving from grass-fed beef bone broth, wild-caught, MSC-Certified Atlantic cod and responsibly sourced chicken. With your health in mind, this unique collagen is formulated with zero grams of sugar per serving and avoids highly processed byproducts and artificial sweeteners commonly found in other collagen products.

Easily mix this versatile powder with any hot or cold beverage of your choice for a smooth, delightful vanilla flavor, and start enjoying the many benefits of convenient, multiple-source collagen.
