BONE BROTH
COLLAGEN
FROM BEEF

Made with the finest Certified Organic Beef Bone Broth sourced from U.S. grass-fed cattle, **Dr. Mercola Organic Bone Broth Collagen from Beef** offers a smooth consistency and delicious chocolate flavor – providing five grams of collagen and zero grams of sugar per serving. This organic collagen avoids highly processed byproducts from leather hides commonly found in other collagen products, which is why seeking out organically certified beef collagen is essential.

Easily mix this versatile powder with any hot or cold beverage of your choice, and enjoy the many benefits of bone broth without the bother of preparing your own.
