

Immunoflora™ is formulated with IMMUSE™ LC-Plasma, a unique paraprobiotic clinically tested to activate plasmacytoid dendritic cells (pDCs). Known as the "commander-in-chief" of the immune system, pDCs bridge the gap between the innate and adaptive immune systems – our first and second lines of defense.*

- Activates the immune system*
- Provides comprehensive immune support*
- Supports respiratory health*

If you are pregnant, nursing, or have a medical condition, consult your healthcare practitioner before use.

STORE TIGHTLY SEALED IN A COOL DRY PLACE. USE ONLY IF INNER FOIL SEAL IS INTACT.
