

Sacred 7 is made from seven of the most historically-revered mushroom species on Earth. Crafted with only whole organic fruiting bodies, it's an adaptogenic, nootropic, immune-boosting superfood. A wealth of health-optimizing, longevity-promoting compounds are naturally present within these powerful mushrooms. The rest is Sacred.*

nāCHær·relm

At **Naturealm** we believe nature provides. Our mission is to advance human health while helping to preserve Earth.

Naturealm is a proud partner of the Rainforest Trust.

This container is made from post-consumer recycled plastic. In order to further reduce plastic waste, there is no scoop.
