

Magnesium Glycinate HP is a highly bioavailable form of magnesium bonded with glycine. The extra glycine helps support a healthy digestive tract while the magnesium supports over 300 of the body's metabolic processes.*

Suggested Use: Two (2) capsules per day or as recommended by your health practitioner.

Caution: Speak with your healthcare provider before using, especially if you have a health condition, take medications, are pregnant, or are nursing.

Storage: Keep tightly closed in a cool, dry place in the original container. Do not expose to excessive heat.
