

Tributylin-X™ is an advanced liquid tributyrin supplement protected by our deep delivery PXRcap™ enteric release capsule technology. This means maximum bioavailability without a reduction in quality.*

Suggested Use: Adults take 1 softgel up to three times per day with food or as directed by your health practitioner.

Caution: Speak with your healthcare provider before using, especially if you have a health condition, take medications, are pregnant, or are nursing.

Storage: Keep tightly closed in a cool, dry place in the original container. Do not expose to excessive heat.
