

PEPTIDE FORTIFIED COLLAGEN TYPE I & III

Enriched with 20% more of our patent pending Peptide Fortified Collagen, this unique formula of PO & OG di-Peptides is 30x more effective due to its high peptide concentration. Infused with potent Black Currant Extract for enhanced absorption to help you get the most out of every nutrient. This combination has been clinically shown to not only boost collagen levels but also to retain its concentration.*

ADVANCED BODY BOOST

Body Kitchen sources the finest collagen in the world. By using a patented natural enzyme process, we have engineered a 30X greater collagen peptide concentration which we use to fortify our full line of collagen powders and capsules. This advanced and unique formulation process is what sets the Body Kitchen difference!

COLLAGEN VALUE CHART

COLLAGEN TYPE	PO & OG DI-PEPTIDE CONCENTRATION
Body Kitchen C-MAX™ 30X	>3,000 ppm (parts per million)
Regular Bovine and Marine Concentration	<100 ppm (parts per million)

PO = PROLINE-HYDROXYPROLINE Di-Peptide (Unique Two Amino Acid Structure)
OG = HYDROXYPROLINE-GLYCINE Di-Peptide (Unique Two Amino Acid Structure)
