carlsonlabs.com • **An FDA Regulated Facility**

Carlson **Omega-3 Enriched Salmon Oil** is sustainably sourced from salmon off the coast of Norway and other omega-3 rich, deep, cold-water fish. Salmon Oil provides the beneficial omega-3s EPA and DHA; is third-party certified for freshness, potency, and purity; and exceeds strict testing standards for mercury and other contaminants.

✓ **Gluten-free** ✓ **No Artificial Preservatives**

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

PURITY GUARANTEED

This product is regularly tested by independent FDA registered laboratories. It has been determined to be fresh and fully potent (per AOCs international protocols) and is free of detrimental levels of mercury, cadmium, lead, PCBs and 28 other contaminants.
