

EuroMedica®

# Thyroid Care™\*

**Supports Thyroid, Immune and Complete Metabolic Function\***

**Iodine with L-tyrosine**

60 Capsules

**NON-GMO**

**DIETARY SUPPLEMENT**

**Thyroid Care™\*** provides superior nutritional support for healthy thyroid and immune function. Optimal levels of iodine benefit the thyroid gland and enhance metabolism. L-tyrosine is an important amino acid which is absolutely necessary for the body to support healthy thyroid (as well as noradrenaline and dopamine) hormone production. It is impossible to have a well functioning thyroid without sufficient quantities of tyrosine combined with iodine, either in the diet, or through supplementation.\*

**Recommendations:** 1-2 capsules daily on an empty stomach, or as recommended by your healthcare practitioner.

Do not use if trying to conceive, pregnant, or nursing.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
