

THE EAST FORK DIFFERENCE

Our craft hemp is grown under the Oregon sun using regenerative methods, and hand-harvested by our fairly-paid team.

We give back to our local communities and support nonprofits working on social justice, equity, and sustainability.

HOW TO USE

Shake well before using. Start with 1 serving (1 dropper) orally. Hold oil under the tongue for 15-20 seconds before ingesting. Adjust dosage as needed.

Store in a cool, dry place away from light. Keep out of the reach of children. As with any herbal supplement, consult with your physician prior to use if you are pregnant, nursing, have or suspect a medical condition, or are taking any medications.
