

S 033290 784331 >

Code: TRAST v5.2

Directions: ¼ teaspoon (approx. 1 gram) daily. Apply the powder directly into the baby's mouth on a clean finger, alongside a feed. Can also be mixed into warm milk or food. Suitable from birth.

This product should not be used as a substitute for a varied diet and healthy lifestyle. Do not exceed the stated recommended daily intake. Do not purchase if the seal is broken. Keep out of reach of children. If you are under medical supervision, please consult a doctor before use. Contains a desiccant (small orange capsule) to absorb moisture, we recommend that you keep this in the jar. Store in a cool, dry place and avoid direct sunlight and heat. For best before and batch, see below.
