

TheraAloe™ is the first and only product of its kind.

- Made with organic aloe vera juice.
- DaltonMax 700™ is an organic high molecular weight, 200x aloe vera concentrate, with 54% of its immune stimulating polysaccharides between 1 and 3 million Daltons.*
- ActiVim® is a natural red grape seed extract that fights free radicals with biologically active flavonoids. Studies show it to be a more potent antioxidant than vitamins C, E and beta-carotene.†

Safety: Do not use if safety seal is missing or damaged. Keep out of reach of children. Keep in cool, dry place. Refrigerate after opening. If you are pregnant, nursing, or have any medical condition, consult with a healthcare professional before using. Not to be taken if one has a known allergic reaction to any of the ingredients.
