

Our Våren Forest Elevated β -Sitosterol Capsules contain clinical grade Stinging Nettle Root Extract that has been standardized to contain 45% β -Sitosterol, which is then elevated and synergized with Swedish Flower Pollen Extract and fortified with Piperine to maximize absorption.*

Using hand-selected, premiere ingredients, our products are professionally—and artfully—crafted to meet our discerningly high standards. We invite you to discover the infinite power within.

Suggested Use: As a dietary supplement, adults take two (2) capsules daily, preferably on an empty stomach. As with all dietary supplements, please consult a qualified healthcare practitioner prior to use.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.

KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE AT ROOM TEMPERATURE.
