ILG

GNC TriFlex™ Soft Chews are a great-tasting alternative to pills. Each daily serving of chocolate TriFlex Chews supplies full potency, clinically-tested amounts of glucosamine (1,500 mg) and chondroitin (1,200 mg) along with MSM.

All GNC TriFlex products feature 1,500 mg of glucosamine and 1,200 mg of chondroitin, the clinically validated dosages of these active ingredients.

Glucosamine and chondroitin help provide joint comfort, lubricate joints and rebuild cartilage.* MSM is an organic sulfur found in joint cartilage and connective tissue.*

To ensure a complete nutritional program, be sure to add one of GNC's premium multivitamins to your daily regimen.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

GNC QUALITY COMMITMENT

GNC, the leader in the development and manufacture of dietary supplements, is committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!
