

WHY CHOOSE WEBBER NATURALS? Webber Naturals' guarantee starts with our ingredient sourcing and continues through each stage of development, formulation, and manufacturing. We safeguard your trust by making sure that every raw material and finished product is tested to the highest international standards for quality, purity, and efficacy. Made with a commitment to excellence and sustainability – from us to you without compromise.

SUGGESTED USE (Adults):
3 capsules daily, preferably with plenty of water, or as directed by a physician.

CAUTION:
Consult physician before use, especially if pregnant or nursing, taking medication or have a medical condition. Keep out of the reach of children.

HOW DOES APPLE CIDER VINEGAR WORK?
Fermented naturally with the “mother”, the culture of beneficial bacteria that transforms apple cider into vinegar. Each easy-to-swallow capsule provides 500 mg, the equivalent of 1 teaspoon, of sugar-free apple cider vinegar (ACV), making it a convenient way to enjoy the benefits of ACV, without having to drink the liquid, and a healthier option to many gummies. ACV has been used traditionally to promote healthy digestion and support overall good health.*
For product freshness protect from heat and humidity.

Assured Quality
Since 1948
Sealed for safety and freshness. Free of artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, salt, tree nuts, or GMOs.
