

DISTINCTION. PERFORMANCE. QUALITY.

Myocep™ Whey Protein is an amazing tasting, 100% natural protein powder. Men, women, and even children can enjoy this product as a nutritional supplement along with a great diet or part of an exercise or training program.

Myocep™ is a proprietary, non-denatured, native whey protein produced to maintain the full range of components present in fresh raw milk.

Myocep™ Whey Protein is a step above others. No worries of contaminants or unnatural compounds. The whey is derived from Australian cows that are grass-fed and graze year-round on beautiful pastures. Our whey contains NO genetically engineered materials. It's hormone-free, chemical-free, and pesticide-free.

Optimal Protein Supplementation - Assists with Weight Management*
Improves Muscle Strength* - Helps with Overall Health & Well-Being*
Full Range and Highest Levels of Natural Occurring Glutathione
Precursors: Covalent Bonded Cysteine, Lactoferrin & Immunoglobulins*

Directions: Mix 1 scoop into 4 to 8 oz. of water, milk or dairy substitute. For best results, mix in a blender or shaker. Store in a cool, dry place.

CAUTION: Consult your healthcare practitioner before using this product if you are pregnant, nursing or under medical supervision.
