

DIRECTIONS: Take one to two capsules daily, or use as directed by your healthcare practitioner. If necessary, capsules may be opened and contents sprinkled over food.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

SuperZyme is a cost-effective, non-prescription, broad-spectrum, digestive enzyme formula suitable for vegans and designed to support the digestion of fat, protein, carbohydrate, fiber, and lactose. This comprehensive formula contains lipase, proteases, alpha-galactosidase, hemicellulase, papain, lactase, and other key digestive enzymes. SuperZyme works in a wide pH range—unlike porcine pancreatin, which works in a narrow pH range.*
