

DIRECTIONS: Take one to two softgels with water daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

Ultra Pure DHA 580, a coldwater fish-derived oil containing highly concentrated docosahexaenoic acid (DHA), is a molecularly distilled, antioxidant-stabilized, third-party tested formula. DHA is an omega-3 fatty acid that physicians often recommend to support healthy pregnancy and lactation, and to support brain development and function in the fetus and infant. Throughout the life span, DHA supports healthy brain structure and function, immune and eye health, and healthy eicosanoid metabolism.*
